Date
I, Timothy Nicholas, am filing an appeal on behalf of First Baptist Church of Surfside allowing them to remove and update their existing signage on their adjacent property located at 811 16th Ave. North, Surfside Beach, SC 29575. The new ordinance is now considering the sign as an off-premise sign. The existing sign was allowed on this parcel which is owned by the church and is connected to the back side of the parcel. The proposed updated sign was approved in 2015. The Church now has the funds to move forward with an updated sign.

Please see the attached Drawings for the new proposed Sign that will enhance the church property as well as the City of Surfside Beach. The sign will also include a full color LED Message Board allowing the Church to bring in new members and provide updates to future events such as bible studies, Vacation bible school. Most importantly, it will provide information regarding meals for the homeless and persons in need of help. Consider this, if this sign package draws in at least one person in need and changes his/her life, it will do exactly what the sign and the church meant for it to do. The Message Center will also allow the church to alert the public of severe weather alerts and amber alerts.

Thank you in advance for your time and consideration.

Kindest Regards,
