Decision Paper – 12/22/17

Written by: John Adair

1. SUBJECT: To Amend the Budget for the Myrtle Swash Bridge Replacement Project and Award the Project.

2. PURPOSE: After bid opening on 12/20, the low bid exceeds our estimate to complete this project.

3. ASSUMPTIONS:
   a. Town drainage infrastructure are priority investments
   b. Council desires to stay on timetable for these capital projects

4. FACTS:
   a. The Myrtle Swash was identified as a priority rebuild project in the wake of Hurricane Matthew.
   b. The Town has completed the bulkhead replacement portion last winter.
   c. The Administrator and staff applied for, and received, a grant from the Rural Infrastructure Authority for $500,000, to complete the bridge replacement portion.
   d. The low bid received on 12/20/17 was for $596,420.00. (Bid results attached)
   e. Staff budgeted $625k for project, less the awarded engineering contract of $50,750, leaving $574,250 available for the construction contract.
   f. There is a current shortfall of $22,170 of budgeted expense to award contract, which needs to be approved by council.
   g. Change orders are not considered in this proposal, and if needed, will be brought back to council as they occur during construction.

5. IMPACT OF SUCCESS OR FAILURE:
   a. Failure to approve the additional budget amount will result in this project not being awarded, and the potential loss of $500k of grant money earmarked for it.
   b. Success will be achieved by following the stormwater infrastructure improvement priority plan, and moving forward with the work this off-season.

6. RECOMMENDATION:
   a. Approve the additional funding of $22,170, so work can proceed.
   b. Approve the recommendation of award to the low bidder at the higher than budgeted figure.

Re: Myrtle Swash Bridge Replacement Recommendation of Award J-26773.0000.500

Dear Mr. Adair:

2 bids were received for the referenced project. An abstract of the bids is attached.

We offer the following comments on the bids received:

1. All bidders submitted the required Bid Bond.
2. All bidders acknowledged receipt of the one (1) addendum issued.
3. No bidders submitted any notice of conflicts, errors, ambiguities, or discrepancies.
4. The bids are subject to acceptance for sixty (60) days from the bid date.

Based on our review, we believe the low responsive bidder is R.H. Moore Company, Inc. Their surety company, Travelers Casualty and Surety Company of America, is a licensed surety company in the State of Connecticut and meets the South Carolina’s Code of Law requirement to issue bid, performance and payment bonds.

Before the contract is awarded, we recommend legal counsel review the proposed award recommendations and procedures prior to implementation.

Thank you. If there are any questions, please call me.
