

Planning, Building & Zoning August 2011

The Building, Planning and Zoning Department issued a total of 94 permits in August. Inspections increased from 87 in July to 148 in August.

The Planning Commission is scheduled to hold a Public Hearing on the proposed changes to the Land Development Regulations on September 6, 2011. Any input from Council concerning the amendments would be appreciated.

The Code Enforcement official attended an Energy Inspections class in Charleston in August, continued education credits were given for this course.

The Building, Planning and Zoning Department have been busy with numerous plan reviews, contractor/developer meetings. Also, staff is working on FEMA requirements in regards to the CRS (Community Rating System) requirements.

The department has received several positive comments on the changes that council made to the Zoning Ordinance regarding the size of wall signs.
