It is understood that any deviation from the permit once issued will render the permit null and void and shall be considered a violation of the town's code of ordinance section 17-723 and subject to the fines.

Persons removing trees shall protect surrounding public and private property from damage. **Debris removal is the responsibility of the persons performing the work. Section 7-29 of the Town Code states "No stumps, logs or other materials or tree limbs placed by landscape or tree service contractors or workmen shall be hauled by the town"**. All debris from such operations shall be removed daily. No debris may be left on site overnight. Work must be performed between the hours of 7:00 a.m. and 8:00 p.m. Monday through Saturday, except in cases of urgent necessity in the interest of public safety, and then only with a permit from the Police Chief. Notify the Police Department of any need to close a street for safety precautions.

It is understood and agreed by the undersigned that by filing the request to remove the above listed tree(s) you grant the Code Enforcement Official(s) access during normal business hours to the property listed above and it does not constitute a privilege to violate any town ordinance, codes or regulations and that any omission or misrepresentation of facts or changes from this application or permit (if approved) without the approval of the Planning, Building & Zoning Department shall constitute sufficient grounds for revocation of any permits issued.

I further understand that I have a right to appeal any decision made by the Code Enforcement Official(s) to the Zoning Board of Appeals.

All permits are non-transferable and non-refundable.
