

# **Surfside Beach Fire Department**

## **Town Council Report**

**May 26, 2020**

**Submitted by Kevin L. Otte, Fire Chief**

1. Our department continues to operate by following the guidelines for COVID-19. We are responding to calls for service and taking all the necessary precautions.
2. Our members who are Fire Marshals are filling in the gaps to make sure any new business inspections are performed.
3. We are putting the finishing touches on our new Rescue/Pumper and will be ready to put the new apparatus in service the first part of May. Thanks to the Mayor and council for their support in this project. The presentation service had to be postponed due to the social distancing, but we will have the service in the near future.
