**New Happenings in the Police Department**

Look for some more changes in your police department. The new uniform hats and hat badges are being ordered from the factory. New leather holsters, belts and pistols are also on the way.

The new National Crime Information Computer (NCIC) is up and working and the first person checked on it was found to be operating illegally. All Town police vehicles have new markings for higher visibility. The police department has been placed on 12 hour shifts which will place more men on the street.

The Bullet Resistant Vest Fund Drive was a complete success. Your police department asked for and received public and private donations for the full amount of money ($2896.00). The area Sertoma Club alone donated $500.00 to kick off the drive. The officers are required to wear their vests while working.

We are really very proud of the way our local community has supported our efforts to modernize their police department. For example, within four (4) weeks of asking for the money to buy the vests, the money had been donated. Community support is absolutely essential if the police department is to do it’s job effectively. The quick show of support reveals to us that the area citizens approve of the department’s new look and direction. Thank you again.

Several new programs are coming on line such as a citizen ride along program. This program will allow a citizen to ride along with a police officer on patrol, but only if the citizen has been cleared through a criminal history check.

Also, with the new “911” number the police department needs a few good volunteers to work during the day. If you are interested, please contact Chief Lloyd at 238-2314.

**NOTICE**

**“HUGO” DEBRIS REMOVAL**

All vacant lot property owners are required to bring "Hugo" debris to the curb by January 15, 1990, for pickup by Town forces. Before pickup will be made, debris must be separated into piles, as follows:

1. Burnable: wood and limbs
2. Non-burnable: mattresses, couches, etc.
3. Metal

On developed lots, removal of any remodeling and construction related debris is the responsibility of the property owner for final disposal.
From the Mayor’s Desk

Dear Residents:

In the wake of Hurricane Hugo, this is a good time to reflect on what we have all been through these past few months. We experienced one of the worst storms in modern history. Hurricane Hugo, classified as a “Category 4” storm, caused over $14 million in property damage to our small community. Over a dozen homes were completely destroyed, and our beach was severely damaged. Fortunately, no lives were lost. Our evacuation and emergency preparedness plans worked. When people were asked to leave, they did so. I recently heard some residents say they would not leave if asked to evacuate again. My only response to that is, “Hugo did not directly hit our area, but if it had, the projected storm surge could have destroyed the Town of Surfside Beach.”

I was recently asked what stuck out most in my mind throughout the ordeal. Without a doubt, it was the heroes in our community: our Town employees, the volunteers from Myrtle Beach Air Force Base, the Red Cross, local merchants who fed our workers, residents who came and assisted in the cleanup, SLED, the National Guard, and US Army Troops from Fort Stewart, Georgia. All of these people contributed toward a successful response to the problem, and we are proud of each and every one of them.

The Town is now on the road to recovery. Most of the debris has been removed and the cleanup effort continues. Town Council and I are committed to rebuilding the Town’s beach. We will be ready for next summer, and we’ll be back even better than before! We do need your assistance, however, so please do your part by removing debris from your private property, especially if contacted by the Town. Your efforts will assist us in promoting a positive image. By working together, we will be back “better and stronger”. Thank you for your patience throughout these very trying times.

Yours truly,

Dick M. Johnson, Mayor

Utility Billing News

We realize some of you have suffered temporary or permanent loss of use of your property following ‘Hugo’. The following general guidelines apply as concerns billing:

Temporary loss of use:
Minimum billing for availability will continue;

Permanent loss of use:
Upon notification to us, service will be discontinued and remaining deposits will be refunded;
Excess usage due to service line breaks:
Will be determined on a case-by-case basis.

If you have any questions on this matter, please contact the Billing Office during regular business hours, in person, or by calling 238-5531.

Employee of the Quarter
April/May/June 1989
PFC Garry L. “Butch” Stith

Community Slide Shows Offered

The police department will be offering to the citizens of Surfside Beach and the surrounding communities various slide show presentations. These presentations are of short duration, approximately 30 minutes long and are offered to all church, civic, social, and fraternal organizations on a first come first serve basis.

Police Chief John M. Lloyd or his aide will have available the following topics for discussion:

1. Drugs Don’t (Drug Abuse Awareness)
2. Home Security (Crime Prevention Program)
3. The Latchkey Kids (Public Safety Program)
4. Update on Drug Abuse (Drug Awareness Series)
5. Con Games Played on the Elderly (Community Information)

Please contact Police Chief John Lloyd by telephoning the Police Department between the hours of 8:00 AM and 4:00 PM, Monday through Friday. These slide presentations will begin November 1, 1989.

Town of Surfside Beach Employee of the Quarter April/May/June, 1989, was PFC Garry L. “Butch” Stith, of the Police Department. Butch’s hard work and enthusiasm have won him the respect of his fellow workers as well as the citizens of Surfside Beach. He has written in excess of $36,000 in traffic citations this year. He is continuing his education in law at Coastal Carolina. Butch, wife Cheryl, and daughter Christa reside in Socastee.

Keep up the good work, Butch!
Recreation Department Notes

Programs:

A newly formed Over 30 Slowpitch Softball League completed its first season. There were five teams in the league. The Town has a team composed of Town employees and some Council members. We need I mention which of those had sore legs? A post season tournament followed. All games were played at Huckabee Complex on the Dixie Boys Field.

Some new fall classes which the recreation Department will be offering are as follows:

- Bridge Classes
- Sea Shell Club
- Shag Lessons
- Exercise Classes
- Green Thumb Class – Fall
- Arts & Craft Classes
- Woodworking
- Photography

Please check with the local newspaper on starting dates and times for these classes. For more information please call the Recreation Department at 650-4131.

The Halloween Haunted House was held on October 31 at the Fire Department. Approximately 300 attended the various “spook” houses. The Recreation Department would like to say THANK YOU to all those Town Employees and 50’s Plus Group who gave much of their time to make this event so special.

Merchandise:

The Recreation Department has on sale the following items with the Town logo that you may purchase: Ball hats, T-shirts, Sport shirts, License plates, Key chains and Coolies (soft drink holder). Stop by and visit!

50’s Plus Group:

This group is still very active and growing. There are at present over 200 members. Listed below are some of the activities in which they participated.

- Meet every Monday morning at 8:00 AM for a beach walk. They meet at 3rd Ave. South and walk approximately 2.5 miles. There are usually 50 to 70 members who walk.
- This past spring we had our first ever Senior Sports Classic. There were 60 participants involved in various two-day sporting events. A pot luck awards get-together was held the second day at Danfields. Everyone enjoyed themselves and the events were very successful.
- During our youth baseball and softball season, the concession stand was operated by different members from the group. They enjoyed watching the children play ball as well as serving them.

Employee Day:

We had our Second Annual Town Employees Day at the Blue Jays game in August. There were 80 in attendance. A great time was had by all!

Fuller Park:

This past summer we enhanced Fuller Park by installing new swings, benches, picnic tables and trash receptacles.

Sports:

We held two tournaments in Surfside Beach at the Huckabee Complex this past baseball season. The first part of July we held the Sub-district Tournament for the Dixie Youth League (ages 11–12). The middle part of July we held the Dixie Pre-Mayors District Tournament (ages 15–16).

The following is a list of the 1989 Baseball-Softball Champions:

- Dixie Minor
- Dixie Youth
- Dixie Boys
- Dixie Pre-Majors
- Dixie Ponytails
- Dixie Belles
- A’s
- Astros
- Royals
- All Stars
- Stars
- Blue Jays

- Coach Steve Hawley
- Coach Dan D’Antoni
- Coach Bill Kempf
- Coach Bill Fowler
- Coach Gary Sedlack
- Coach Donna Fleig

At the end of August we began our football/cheerleader registration. Again we had a great season. We had four (4) teams in the Small Fray League and four (4) teams in the Mite League. We also had eight (8) cheerleading squads. The Jets in the Small Fray League won the championship and the Seawolves won the championship in the Mite League. Surfside Beach held the Surf Bowl on November 9 and 11 with two (2) teams from Surfside Beach, one (1) from Myrtle Beach, and one (1) from North Myrtle Beach. On November 8, we sent one (1) team from Surfside Beach to the Beach Bowl in Myrtle Beach.

The Surfside Beach Recreation Department is looking for anyone with a talent to teach classes such as: aerobics, dance, oil painting, guitar lessons, etc., please call the Recreation Department at 650-4131.

Christmas Activity Dates:

- Monday, December 4: Decorate Tree
- Thursday, December 7 (7PM): Christmas Tree Lighting
- Saturday, December 9: Town Christmas Parade
- Saturday, December 9: Visit With Santa
- Tuesday, December 12: Hot Line To Santa

St. Angelo’s Donation Bigger Than Ever:

At the November 7, 1989, Town Council Meeting, Mr. Rich Cicero, Chairman of the St. Angelo’s Golf Tournament Committee, presented Mayor Johnson with a check in the amount of $10,500, proceeds from St. Angelo’s 7th Annual Golf Tournament, for the Town of Surfside Beach Recreation Department. The Mayor expressed the Town’s gratitude for St. Angelo’s ongoing community spirit and dedication to our Town.

Season’s Greetings

Don’t Break the Law... Clean Up!

“IT shall be a violation for any person to place or store, outside any building or dwelling, any dilapidated furniture, appliances, vehicles, machinery, equipment, building materials or any other item which is either in a wholly or partially rusted, wrecked, junked, dismantled or in an inoperative condition.”

The above statement is a part of the Town of Surfside Beach Ordinance. It was adopted primarily for health and safety reasons. A secondary reason is to protect our property values and make our community a better place to live. So please check your yards and get them cleaned up if they are not in compliance with the law. Let’s continue to make our community a better place to live.
"Pick Up The Pieces Day"

Another community event occurred on Saturday, October 28th, when the Town held a "Pick Up The Pieces Day". Residents, Town employees, and anyone who wanted to, gathered behind Town Hall with gloves and rakes in hand, and all available vehicles to "attack" the piles of remaining debris scattered throughout the Town. Teams of 3 to 5 people were sent into designated areas and worked diligently raking, piling and bagging limbs, leaves, and other debris and hauling it to the burn site. At 1:00 PM the hungry "troops" returned to Town Hall for a hot dog and soda pop lunch. It was a fun time and another opportunity to make new friends and help us a little more on the road to recovery from "Hugo". Some 55 stout-hearted individuals showed up for the event. The Town thanks you, folks.

"E" 911 Number

The E 911 number for an emergency is slowly but surely coming. The most recent word is that this system will be completed by the end of March 1990. At that time a person can simply dial 911 for assistance for any emergency that may be occurring. However, if you don't have a house number on your house it will be difficult for the emergency crew to find your residence and provide the service which you require.

The Town of Surfside Beach Ordinance requires that every house have a house number on it in a location so that it can be seen from the street. Let's all get with the program and get our house numbers installed so that we are in compliance with the law and so that we can receive the emergency service when it is needed.

Employee of Quarter
July/August/September 1989

Dabney Brown

Dabney has been employed in the Utility Department of Public Works since April 26, 1985. Prior to April 1, three men were needed to read town meters however, due to a re-routing project and Dabney the meters are read in 33 percent less time.

Dabney met or exceeded all criteria for Employee of the Quarter and could be described as the "Model" employee. After "Hugo", Dabney did not hesitate to work emergency overtime, many times all night long, and assisted other members of the Utility maintenance crew.

Dabney, thanks for a great job this past quarter.

United Way - Thank You Town Employees

Town Administrator, Pat DiGiovanni, Government Co-Chairman for the United Way, serving the Grand Strand Area, expresses his "Thank You" for a job well done. Because of our employee efforts, 29 agencies will be able to serve the people of our county who are in great need of food, shelter, counseling and guidance. Surfside Beach Town employees contributed 100% to the United Way Campaign, far exceeding their goal of $2,100. A grand total of $3,143 has been collected, despite "Hugo".

It is this kind of generosity that sets an example for others to follow.
Town Renovates Civic Center

The Civic Center located on Pine Drive behind the Surfside Beach Town Hall was donated to the Town of Surfside Beach by the Surfers Club and the Rescue Squad.

The Civic Center is a 2,800 square foot building and completely renovated. It will have two separate areas. One side will be a day room with a television, card tables and a ping pong table. The other side is a large room for club meetings and classes. There will also be a large kitchen and restroom facilities adjoining the two areas. We need your input on programs, activities, etc. Enclosed in this newsletter is a survey. Please complete it and return to our Recreation Department.

Some of the renovations have included a new heating and cooling system, new walls, ceilings and doors. Most of the work is being completed by the Town Councilmen, Town Employees, the Mayor and many volunteers from the community.

The new Civic Center is scheduled to be completed sometime in November. We’re sure that all the citizens of Surfside Beach will be proud of this new Civic Center.

Open Burning

This is the time of year when we are cleaning and raking our yards and looking for ways to dispose of the leaves. The Town will pick up your leaves if you will bag them. This is the preferred method. However, another popular method of leaf disposal is OPEN BURNING. Following, is a brief discussion of the regulations for open burning in the Town of Surfside Beach.

Open Burning is prohibited except for:

1. Open burning of leaves, tree branches and yard trimmings originating on the premises of private residences and burned on those premises providing:
   a. burning is at least fifty (50) feet from any structure, and
   b. fire will be constantly attended by a competent person until extinguished, and
   c. a garden hose connected to a water supply is available for immediate use, and
   d. burning will take place only between 9:00 AM and 3:00 PM
2. Open burning in connection with the preparation of food for immediate consumption.
3. Fires used solely for recreational purposes or ceremonial occasions.

Open burning of the following types is specifically prohibited.

1. Open burning of household trash and/or garbage.
2. Open burning for land clearing purposes.
3. Open burning of construction wastes.
4. Open burning of heavy oils, asphaltic materials, rubber or plastic materials.

Prior to commencing any open burning operation, approval must be obtained from the Fire Department at 238-2314 and from the Department of Health and Environmental Control at 448-1902. The approval to conduct open burning does not exempt or excuse the person responsible for the burning from the consequences of or the damages or injuries resulting from the burning.

Open burning, at best, is a risky business. Each year, millions of dollars worth of property is destroyed because someone’s fire got away from them. Also keep in mind that many people have respiratory diseases. To them, even light smoke is a major hinderance to their health and comfort. Please, let’s all cooperate to keep Surfside Beach a safe and healthful place to live.

Fire Department Notes

Christmas Food, Clothing, and Toy Drive — mid-November through mid-December. The Surfside Beach Fire Department acts as a gathering point for items you may wish to donate to those less fortunate. We accumulate as much as we can handle then turn it over to different area charities. We hope to continue the success we’ve had over the last two years.

Fire Department Open House — December 3. An open house, complete with tours and demonstrations, is planned to show you the progress made by the Department over the last couple of years. Also, some very specific information on holiday fire safety will be shared.

Please keep these events in mind as you plan your activities over the coming months. We’re here for your benefit so please allow us to serve you.

Earlier in the year the Fire Department held Annual Fire Prevention Week October 8 through 14. During that week a special effort was made to spread the fire Safety message. If you would like the department to address your group on “Fire Safety”, please call 238-2314.

The Halloween Haunted House as a huge success this year. Some 290 “goblins” visited the Haunted House, set up in the Fire Department, and it was said everyone was scared this year. The Fire Department and Recreation Department work together on this popular event, which keeps the youngsters off the streets, in a safe environment with lots of fun.

The Fire Department urges you to get in the habit of changing the battery in your smoke detectors when you reset your clocks to Standard Time and Eastern Daylight Savings Time. Making it a routine, will assure you of a working smoke detector in the event of a fire.
SURVEY FOR CIVIC CENTER

THE RECREATION DEPARTMENT IS CONDUCTING A SURVEY FOR THE CIVIC CENTER. PLEASE ANSWER THE FOLLOWING QUESTIONS TO HELP US BETTER SERVE YOU AND YOUR FAMILY.

NAME: ____________________________

ADDRESS: ____________________________________________

PHONE NUMBER: ____________________________

NUMBER OF ADULTS IN FAMILY: ____________

AGE GROUPS: 20 – 30  30 – 40  40 – 50  50 – 60  OVER 60

NUMBER OF CHILDREN IN FAMILY: ____________

AGE GROUPS: 1 – 3  4 – 6  7 – 10  11 – 15  16 – 20

1. LISTED BELOW ARE CLASSES THAT HAVE BEEN OFFERED AT THE RECREATION DEPARTMENT. INDICATE IF YOU ARE INTERESTED IN ANY OF THEM.

   - AEROBICS
   - BRIDGE
   - ARCHERY
   - BEGINNING GOLF
   - CPR
   - GREEN THUMB
   - BOWLING
   - STAINED GLASS

   - TENNIS
   - VALENTINE DOOR DECOR.
   - HANDWRITING ANALYSIS
   - BASIC CAMERA
   - NEEDLEWORK
   - SHAG LESSONS
   - CALLIGRAPHY
   - BATON CLASSES

   - TOLE PAINTING
   - CHRISTMAS DOOR DECOR.
   - FLOWER ARRANGEMENT
   - CAKE DECORATING
   - OIL PAINTING
   - COOKING & CRAFTS
   - BABY SITTING

2. WHAT DAY AND TIME OF THE WEEK WOULD BE BEST FOR YOU TO ATTEND THESE CLASSES?

______________________________________________

3. WOULD YOU VOLUNTEER SOME OF YOUR TIME TO ASSIST WITH PROGRAMS AT THE CIVIC CENTER?

______________________________________________

4. DO YOU HAVE ANY COMMENTS, SUGGESTIONS OR SOME OTHER TYPE OF CLASS THAT YOU WOULD LIKE THE RECREATION DEPARTMENT TO CONDUCT?

TEAR OUT AND RETURN TO THE RECREATION DEPARTMENT/TOWN HALL OR MAIL TO:

115 HWY. 17 NORTH
SURFSIDE BEACH, SC 29575

CALL 650-4131 FOR MORE INFORMATION IF NEEDED
Fluoride Levels

The US Environmental Protection Agency requires that we give this notice on the level of fluoride in your drinking water. The drinking water in this community has a fluoride concentration as set forth below:

<table>
<thead>
<tr>
<th>Well</th>
<th>Fluoride Sample</th>
</tr>
</thead>
<tbody>
<tr>
<td>#1 - 10th Avenue South</td>
<td>4.01 mg/l</td>
</tr>
<tr>
<td>#2 - 3rd Avenue North</td>
<td>3.68 mg/l</td>
</tr>
<tr>
<td>#3 - Surfside Drive</td>
<td>3.74 mg/l</td>
</tr>
</tbody>
</table>

Federal regulations require that fluoride, which occurs naturally in your water supply, not exceed a concentration of 4.0 mg/l in drinking water. This is an enforceable standard called a Maximum Contaminant Level (MCL), and it has been established to protect the public health. Exposure to drinking water levels above 4.0 mg/l for many years may result in some cases of crippling skeletal fluorosis, which is a serious bone disorder.

Federal law also requires that we notify you when monitoring indicates that the fluoride in your drinking water exceeds 2.0 mg/l. This is intended to alert families about dental problems that might affect children under 9 years of age. The fluoride concentration of your water exceeds this federal guideline.

Fluoride in children’s drinking water at levels of approximately 1 mg/l reduces the number of dental cavities. However, some children exposed to levels of fluoride greater than about 2.0 mg/l may develop dental fluorosis, which in its moderate and severe forms, is a brown staining and/or pitting of the permanent teeth.

Because dental fluorosis occurs only when developing teeth (those they erupt from the gums) are exposed to elevated fluoride levels, households without children are not expected to be affected by this level of fluoride. Families with children under the age of 9 are encouraged to seek other sources of drinking water for their children to avoid the possibility of staining and pitting.

Your water supplier can lower the concentration of fluoride in your water so that you will still receive the benefits of cavity prevention while the possibility of stained and pitted teeth is minimized. Removal of fluoride will increase your water costs. Treatment systems are also commercially available for home use. Information on such systems is available at the address below. Low fluoride bottled drinking water that would meet all standards is also commercially available. Free (maximum of 5 gallons per week) low fluoride drinking water is available for all Surfside Beach water account customers at the following locations:

1. North entrance of Surfside Beach Town Hall
2. Garden City Realty Building, Atlantic Avenue, Garden City
3. Grand Strand Water & Sewer Authority, Route 544, Conway

For further information, contact Public Works Director Ron Peaks, Surfside Beach Town hall, 29575, or call 238-5531. The Town has entered into a regional contract with Grand Strand Water and Sewer Authority, the City of Conway and Little River Water and Sewer District, to construct a surface water treatment plant on Bull Creek. Projected completion date is Fall of 1991. At that time, fluoride concentrations will be reduced below 2 mg/l.

Warning: Christmas Trees... May Be Hazardous To Your Health:

One of the rituals of Christmas is to find the prettiest tree and to decorate it with balls, bells and lights. This is probably one of the most dangerous situations to exist in your home at Christmas or any other time.

The Surfside Beach Fire Department has conducted experiments on the flammability of Christmas trees. We found that in most cases, a live Christmas tree will burn with such ferocity and speed that persons occupying the room when the tree ignites, will be lucky to get out alive. In our tests, trees were usually completely engulfed in flames within ten seconds of ignition and within thirty seconds, there was nothing left of the tree but the trunk. Within this same time frame, everything in a standard living room or den would be burning and an occupant remaining in that room would have no chance of survival.

The Surfside Beach Fire Department recommends that you use only artificial trees in your home. The “Christmas tree smell” can be purchased in a spray can. If you must use a live tree, please consider the following. The long-needle varieties seem to be harder to ignite and seem to burn slower than the short-needle ones. Make sure that the tree is fresh and keep it watered. Position it well away from any heat producing appliances or any open flame. Insure that the strings of lights and extension cords you use are in good condition and are used only as recommended.

Don’t let a tragedy ruin your holidays.

“Personnel Potpourri”

NEW FACES:

The Police Department welcomes newcomers John Tatum and Suzy Senez, as dispatchers. John hails from Ohio, and was previously employed with Horry County Detention Center. Suzy is from southern Maryland where she worked as a communications operator for Maryland State Police.

Elaine Cowart became Town Clerk/Clerk of Court on July 3rd, replacing Christine Travis. Elaine resides in North Myrtle Beach and worked for that city for some years before moving back to her native Massachusetts for a short time. She’s glad to be back, and working for Surfside Beach.

Lillian Gary is the Town’s new cashier in the Finance Department and replaces Nancy Tindal, who resigned for medical reasons. “Lil” has recently returned to live in her hometown of Conway, after residing in the “Big Apple” for some time.

Eileen Lewis comes to us from the City of Myrtle Beach, and fills the slot of Systems Coordinator in the Utility Division, left vacant by the resignation of Mary Nell Jenkinson.
"Personnel Potpourri" cont'd.

In the Public Works Department, Jeff Hyman has joined the Streets/Drainage Division, and "Buck" Miller is now a member of the Utility Division.

A hearty "WELCOME" to the newcomers. Glad to have you aboard! “SO LONG” to those who have left employment with the Town… it’s been nice knowing you, and good luck!

BABY BOOMERS:

Employees/spouses doing their part to increase the area tax base by adding to the population are Stu (Recreation Dept.) and Bonnie Anderson, who welcomed David Stewart, on June 14, 1989.

Little Joseph Anthony joined Jeff (Mechanic) and Annette Isenberg on September 8, 1989.

Last, but not least, Police Sergeant and Mrs. Rod Moore welcomed Heather Rose into their family on September 16, 1989.

Welcome, little ones and congratulations to the proud parents!

TRAINING:

Several of Surfside Beach’s “Finest” are undergoing training at the South Carolina Criminal Justice Academy in Columbia. Officers Bob Trusty and Gary Melton will be attending the Academy for 8 weeks of basic Law Enforcement Training, and Communications Officers Linda Deveney and Kim Broadwater will be attending Communications classes.

PROMOTIONS:

Congratulations to Rod Moore, who was promoted from Corporal to Sergeant, Patrolman First Class Phil Pendleton, now Corporal, and Patrolman “Butch” Stuhl, is now Patrolman First Class.

APPOINTMENTS:

John E. Batten, IV, has been appointed as the Town’s Municipal Judge to fill the unexpired term of Jeffrey Wile. Mr. Wile resigned upon accepting a position in the Horry County Public Defender’s Office. Good Luck, “Jeb”, in your new duties.

Mr. Stan Copeland of Batten, Batten & Copeland Law Firm has been appointed as the Town’s Ministerial Recorder.

TOWN HALL MEETING SCHEDULES
The Town Council of the Town of Surfside Beach meets the 1st and 3rd Tuesday of each month at 7:30 pm.

The Planning and Zoning Commission meets the 2nd Tuesday of each month at 3:00 pm.

Municipal Court — Mondays, 3:00 pm

All meetings are held in the Town Council/Court Chambers located on the south end of Town Hall and are open to the public. We welcome all interested residents to attend.
