

Town of Surfside Beach
DESIGN OVERLAY IMPROVEMENT GRANT APPLICATION

INTRODUCTION:

The Design Overlay Improvement Grant was created to encourage private investment in improving the appearance of retail properties within the Design Overlay District (hereinafter referred to as “the district.”) The grant assists with the cost associated with exterior improvements of buildings and landscaping, and can reduce costs by as much as fifty (50%) percent. Façade grants awards may be up to five thousand (\$5,000) dollars for building improvements. Landscaping improvement grants may be up to two thousand (\$2,000) dollars. Grant applications are accepted throughout the budget year as long as there are funds available.

Any property owner, tenant, or business within the district may apply for a Design Overlay Improvement grant subject to the requirements set out below. Incomplete applications will not be considered.

PROGRAM ELIGIBILITY:

Any property for which grants are applied shall be located in the district. Only one application for façade and one landscaping projects per fiscal year (July 1 to June 30) may be submitted per applicant. (For this application, a façade shall be considered the entrance way from the street that is used by their customers.)

APPLICATIONS REQUIRED:

Completed applications must be approved before the project is implemented. (Approval is based on the requirements of the program and availability of funds.)

APPLICANTS:

The property owner or tenant (with written approval of the property owner) will provide a complete application, including all supporting documentation substantiating both the general and specific criteria to the Town Administrator. (Do not start work without written approval of the project.) The business and property must be clean and show evidence that it is maintained with no visual signs of neglected building maintenance.

BUILDING AND CODES:

Every approved application shall be submitted to Building and Codes for review and certification that the project meets all applicable codes and ordinances. (Review shall be completed as per the Town of Surfside Beach Ordinances.)

RECOMMENDATIONS:

The Town Administrator, with the aid of the Business Committee, will recommend which applications will go before the Council for approval once it is completed and approved by Building and Codes. Final approval of the project and grant amount shall be determined by Town Council.

DESIGN OVERLAY IMPROVEMENT GRANT APPLICATION

REIMBURSEMENT BASIS:

No funds will be disbursed until such time as the project is completed; all inspections are approved; receipts for costs are submitted, and a property tour showing the improvements to the Business Committee has been held. At such time, the Town Administrator will approve the grant funds be disbursed.

RECORDS:

The grant application and related documents shall be maintained in the Town Clerk's office for a period of three years after disbursement of funds.

GRANT APPLICATION PROCESS:

1. A completed grant application together with additional documents set out herein shall be delivered to the Town Clerk for delivery to the Town Administrator.
